

How to Return to Camp

Frequently Asked Questions

Can I Ever Come Back To This Camp?

Yes, as a Cadet you may return to camp by becoming an Assistant Leader.

How Do I Become An Assistant Leader?

You **MUST** complete as many projects and activities as possible, record and submit them in a Book of Accomplishments (BOA) **AND** submit an Assistant Leader/College Scholarship Application by the deadline!

What Types of Projects Can I Do?

See the [Book of Accomplishments \(BOA\) Instructions & Activity Values Sheet](#) for the different types of projects you can complete. The most popular activities are giving presentations about Texas Brigades, setting up your poster or trifold around your community, making a plant or seed collection, and writing articles about camp to submit to newspapers and magazines. For every activity you complete you **MUST** complete a [Cadet Activity Report Form](#).

How Many Activities Should I Complete?

As many as you possibly can!!! A limited number of Cadets will be allowed to return to camp as Assistant Leaders. The more projects you complete the greater your chances are for returning to camp and receiving a college scholarship.

How Are Assistant Leaders Chosen?

Camp graduates (Cadets) with the highest scoring Book of Accomplishments (BOA) are invited to return to camp. Scores for each activity are calculated by the quality of project/information submitted and a max-point system, which can be referenced in the [Book of Accomplishments \(BOA\) Instructions & Activity Values Sheet](#). Activities must be completed before you submit your Book of Accomplishments. Points are not awarded for activities completed after the deadline.

Where can I find the [Book of Accomplishments \(BOA\) Instructions & Activity Values Sheet](#) and [Cadet Activity Report Form](#)?

All the forms and instructions you need to complete a Book of Accomplishments can be found on the Texas Brigades website www.texasbrigades.org. Select the "Resources" tab at the top of the website. Forms and instructions will also be available in your Cadet Binder or Notebook, on your post-camp Google Drive link, and/or on your Cadet post-camp flash drive.

Can I Attend A Different Texas Brigades Camp?

YES! You may apply to each of the six types of Brigade camps: Bobwhite, Buckskin, Bass, Waterfowl, Coastal, and Ranch once as a Cadet. To serve as many Cadets as possible, it is rare to attend both of the Buckskin or both Bobwhite camps offered.
